Dear Mr. Groves,

I have pleasure in offering you the booklet that we published on the occasion of SITA's 25th anniversary, as a reminder of the road we have trodden and the work we have achieved together.

I am pleased to see in these few pages, not just a history of SITA, but a tribute to your competence and devotion, without which, the adventure of the early years would not have brought us the success that we know today.

I must also commend the spirit of confidence and cordial co-operation that you have shown and which remains the best warrant for the continuity of our venture.

In short, it is you who have given SITA its countenance throughout the world. I hope that you will find in this book, a reflection of the task that you have so magnificiently accomplished.

Yours sincerely,

A handwritten signature in dark ink, appearing to read "G. A. Monniot". The signature is written over a horizontal line.

G. A. MONNIOT,  
General Manager.
